“Human Piano improvisations ///
Influenced by Baroque Music and Keith Jarret”

Der Genfer Jazz Pianist **Leo Tardin**, Mastermind von **GRAND PIANORAMAX**, veröffentlicht sein 2. Soloalbum am 5. Oktober 2018. Aufgenommen in unterschiedlichen Räumen - wie ein leerer Swimmingpool, ein uraltes Gewölbe oder eine verlassene Fabrik- ist jede Komposition von diesen außergewöhnlichen Orten beeinflusst oder die gleiche Komposition verändert sich, wenn sie in verschiedenen Umgebungen gespielt wird.

“One Take, No Edit, No Cut.”

Alle Tracks sind das Realtime - Audiogramm und die Momentaufnahme von Raum und Musik. So entstanden 23 nicht wiederholbare Abbildungen von Stimmungen und Atmosphäre ohne Schnitt und stellen das pianistische Können von Leo Tardin unter Beweis.
